

## Tired Nervous

When you feel languid, tired, nervous and irritable, your vitality is low—your supply of nerve energy exhausted, and your system running down for lack of power.

The organs of the body are working poorly, or not at all, and you are not getting the nourishment needed. This soon impoverishes the blood and instead of throwing off the impurities, distributes it all through the body. This brings disease and misery.

Feed the nerves with Dr. Miles' Nervine, a nerve food, a nerve medicine, that nourishes and strengthens the nerves, and see how quickly you will get strong and vigorous.

"My wife suffered with nervousness previous to a recent attack of typhoid fever, but after her recovery from the fever, she was much worse, and could hardly control herself being exceedingly nervous when the least excited. She was very restless at night, and never had a good night's rest. She also suffered much from nervous headache. Dr. Miles' Nervine was recommended by a friend. After the first three doses she had a good night's rest, and at the end of the first week a treatment she was wonderfully improved. Continued use of Nervine has completed her entire cure."

1021 Cherry St., Evansville, Ind.  
Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

## The Trials of Women.

The homes of this country are filled with women whose trials utterly destroy the joys of existence. They are the victims of female disorders and they do not get relief, and they are forced to drag through the weary years without the hope of better days. All such should be advised to use a few bottles of

ST. ANDREW'S  
WINE OF LIFE ROOT.

It plants hope in hopeless hearts, the seeds of joy in joyless minds, whose fruition is the bloom of health on the cheek of the perfect woman, to whom the ill of her former existence are now the real zest of her pleasurable life. Thousands of women all over this land have testified to the truthfulness of this assertion.

### TONICS FOR WOMEN.

Delicate women require a tonic. An iron tonic is good, but St. Andrew's Wine of Life Root is better. While toning up the system, purifying the blood and restoring exhausted nerves, it regulates any derangements, and strengthens woman in the most sensitive part of her organism.

### TATESVILLE.

Special to the News.

I will now answer Uncle Joe's questions of Oct. 12. Would have answered them before now but I have been away from home. Uncle Joe, I will answer you as you asked there, one at a time. Joe asked where and with what reference does the Sunday school have towards the sinner in it? In the teaching or after the teaching? It is in and through the teaching of the Gospel, for Christ said to the church "Go ye there and teach all nations, Matt. 28, 19. Our Saviour here teaches that sinners are disciples through teaching the scriptures. Paul saith, "Faith cometh by hearing and hearing by the word of the Lord." I have this to say. If the Gospel is never taught there will never be any disciples. You want to know if I would take a man into Sunday school before he has faith in Christ. Not as a teacher but as a student and teach him that except he repents he will perish. I never have claimed that a man must be born at a Sunday school. You manufactured that. A man must be born of God and that faith comes by hearing and obeying the Gospel. Joe says again, "Which would you expect first in the order of nature the spirit or its fruit?" In the order of human nature I would expect neither one. I expect first after a man has been taught to repent a pricking at the heart, the fruit of the spirit.

Joe says again, "Can the alien sinner manifest the fruit of the spirit?" If you mean conviction, I say yes. If you mean the joy of salvation, I say no.

Again he says, "If they that are in the flesh cannot please God, what will you teach the alien sinner in order that he may be born again?" Jesus and Him crucified. Then when the spirit that accompanies His Gospel pricks his heart, repent and be baptised in the name of Jesus Christ for the remission of sins, Acts, 2:38. I never refused to take any one into a Sunday school who is a sinner as a student. I act as a teacher. Again you say, "If a man is born again when he believes and must believe to be in the Sunday school is born again in and through the Sunday school, how many times is he born. This is your own made out of whole cloth. I never said such a thing. I never claimed that a man had to be born at Sunday school or a church, but I will say a man has one birth and a second birth is foreign to the word of God.

Joe asks, "Does the Christian possess a life different in nature or only in degree?" The Christian life in nature is just the same after he becomes a Christian as before because it is not the flesh that is born of the spirit. Joe again asks, "Is there an instant when life either natural or spiritual is conveyed from the living to the non-living through a medium?" Spiritually the knowledge of God is conveyed to a sinner by the preaching the Gospel by a child of God. The Gospel is the power of God unto salvation unto every one that believeth. Romans, 1:16.

Joe says, "If as you claim, the alien sinner must hear and heed the teaching of the Sunday school in order to be born again is not spiritual life conveyed through a medium of being taught something and they shall not teach every man his neighbor and every man his brother to know the Lord for all shall know Him from the last to the greatest." Hebrews, 8:11. Joe, have you taken the position and oppose a man carrying out Christ's teaching in Matthew, 28:19. The scripture you refer to in your last reference to the new covenant is the one God said He was going to make with the House of Israel. Hebrews, 8:10. God said, "He would be to them a God and they should be to Him and they should know Him from the least to the greatest." When God placed this law in any one's mind, Paul said "He would know the Lord." Heb. 8:11. Job says, "To know the Lord is eternal life. This law is put in a man's heart when he is born of the spirit of God, the very weakest one of God's children knows God as well as the strongest. Heb. 8:11. This all takes place after God's people do their part in teaching the alien sinner. The last place you cited was the most futile you could possibly cite. Your questions are too many for me to cite in as full a manner as I would like to, and too many to answer in a short article.

You asked if I believed God had flesh, bones and a body. God is a spirit and seeketh such as will worship Him in spirit and truth. You say a gain, teaching is a medium through which a man is regenerated. That is the first medium God uses. "Go ye therefore and teach all nations," Matt. 28:19. Paul said, "It pleases God through the foolishness of preaching to save them that believe." 1 Cor. 1:21. Your position is not to teach the ungodly when Christ said "Go."

You remind me of an Irishman, who between Knoxville and Chattanooga saw a mile board by the side of the road which read 31 miles to Knoxville. The Irishman said, "Here lies a poor Irishman, 31 years of age, and his name is Miles to Knoxville." All of the readers know that it takes more room to answer questions than to ask them. I hope this will suffice, Joseph. Watchman.

## Consumption

There is no specific for consumption. Fresh air, exercise, nourishing food and Scott's Emulsion will come pretty near curing it, if there is anything to build on. Millions of people throughout the world are living and in good health on one lung.

From time immemorial the doctors prescribed cod liver oil for consumption. Of course the patient could not take it in its old form, hence it did very little good. They can take

## SCOTT'S EMULSION

and tolerate it for a long time. There is no oil, not excepting butter, so easily digested and absorbed by the system as cod liver oil in the form of Scott's Emulsion, and that is the reason it is so helpful in consumption where its use must be continuous.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

Mrs. Hallie Hootenpytle is the guest of her sister, Mrs. N. Deakins, at Thans this week. We enjoyed her visit.

Than Deakins made a business trip to Dunlap today.

Dear friends, don't forget Bro. Hunt's appointment at Davis Chapel the last Sunday in this month. All come out and you will hear good preaching. M. E. G.

### LAND'S CHAPEL.

Special to the News.

We are having some very pretty weather on the mountain now.

Everything is moving on all right at this place. We have had a grand revival at Land's Chapel and much good was accomplished by the preaching of Rev. J. L. White. There were ten souls which claimed the Lord Jesus Christ as their Saviour and many cold-hearted Christians were warmed up by the spirit of God. The church here has been aroused to the sense of church duty. Any church should always be clean and pure in the sight of God. The scripture tells us to keep ourselves unspotted from the world, and if we should suffer the disobedient ones of God to live in the church then our garments would be spotted and we would not be obeying the command of our Lord and Saviour, Jesus Christ. Let us strive always to do as the Lord commands us to do in all things and then we will be pure and holy in the sight of the Lord.

B. F. Hickey, who had wandered from the commandments of God and disobeyed His will has returned to the fold of worship for the Lord again, and his return has made glad hearts and great joy to his aged father. Oh, let us always be trying to comfort and cheer some poor heart and let us strive with all our might to soothe the heart and cheer the minds of the aged ones and try to make their lives precious and happy to them. We will not have our aged parents to talk with many more years according to the ties of nature and we should pray to God to help them to live a pure and happy life in this world that their last days upon earth may be the happiest days of their lives and when our bodies are all laid away in the tombs we can arise at the day of Judgement and be caught up to meet the Lord. What a great consolation that is to us if we will try to live and do the will of God in this life. Dear sinner friend, do you not want a home up yonder with the Lord Jesus and His holy angels? If so turn away from sin and believe on his most holy and righteous name and claim Him as your Saviour and you will find rest and peace with God and bye and bye there will be a place prepared for us all. I am longing for the coming of that snow white angel band, that shall bear my weary spirit to the sinless summer land.

The health of this community is not so good at this writing.

Miss Ida Land is on the sick list and also Mrs. Frankie Land is sick.

The little child of Will Smith has been seriously ill.

Miss Lethia Walker, who has been chilling for several days is improving.

Byron Land made a business trip to Dunlap Monday.

Van Hobbs was on the mountain one day last week.

Sam Hatfield, of Dunlap, spent a few days in the service of God at this place last week.

Patton Smith, Bob Hobbs and Standifer Brown attended the good service out here.

T. P. Green, of Orme, spent last week here in the work and worship of the Lord.

Some one ask J. L. White if he ever got as much ground hog as he could eat. If he hasn't tell him to just come back to Land's Chapel and some one will try to quench his hunger for that good old baked ground hog. Ha, ha.

Mrs. E. LAND.

Sells More of Chamberlain's Cough Remedy than of All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine and given it to my children and always with the best results." For sale by Jno. W. Simpson, Jasper, Tenn.

### WHITESIDE.

Special to the News.

As I have not seen anything from here I thought I would write a few lines as this may be the last I'll write from this place. As everybody has got the Empire, Ala., fever I am liable to take it anytime.

The New Etna Coal Co. has purchased a new locomotive and have got it landed on top of old Etna Mountain. Hurrah for Etna for it certainly is doing a good business.

Mrs. James Roope, Jr., went to Empire, Ala., where her husband is employed.

The twin babies of Mr. and Mrs. Wess McHone died last week. Weep not, dear parents, but try to live nearer to our dear Saviour who died to save us and you will see your little darlings' laughing faces again.

Mrs. Lulu Cross, of Chattanooga, visited her parents, Mr. and Mrs. Richard Tittle, this week.

L. R. Janney, of Coal City, Ga., was the guest of his father-in-law Sunday.

Well, as everybody is working every day and Sunday too there isn't very much news so I will ring off and write more next time. Jim Boo.

### Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kans., writes: "My husband lay sick for three months. The doctors said that he had quick consumption. We procured a bottle of Ballard's Horehound Syrup and it cured him. That was six years ago. Since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1.00. Sold by Sequachee Supply Store.
